

# LIBRARY END-USER LICENSE AGREEMENT

(License for the database)

[Updated: 2011-06-15]

**IMPORTANT—READ CAREFULLY:** This Library End-User License Agreement (“Library End-User License” or “LEULA”) is a legal agreement between SNIP REGISTER, INC. (“Licensor”) and you, the “Licensee” who is also the “Subscriber” or Subscriber’s “Authorized User” as defined in the subscription agreement (“Subscription Agreement”) between Subscriber and provider of information services (“Provider”). This LEULA governs the use of a specific Library and Products contained therein for which Subscriber has acquired this LEULA. An amendment or addendum to this LEULA may accompany the Library. You agree to be bound by the terms of this LEULA by accessing or otherwise using the Library. **IF YOU DO NOT AGREE TO THE TERMS OF THIS LEULA, OR ANY TERMS THEREIN, YOU ARE NOT AUTHORIZED TO ACCESS AND/OR USE THE LIBRARY, AND AGREE TO PROMPTLY DISCONTINUE THE USE OF THE LIBRARY AND PRODUCTS RETRIEVED THEREFROM.**

Capitalized terms in this LEULA have the same meaning as in the Subscription Agreement, unless otherwise noted. For purposes of this LEULA, the use of the term “you” shall denote Licensee and each individual Authorized User as a single whole.

The Library consists of (i) a Library software, (ii) Data contained therein, and (iii) a Library management system, which together constitute a single and indivisible whole intended for retrieval of the Information stored in the Library by Authorized Users. The Library may also include associated media, printed materials or electronic documentation. At any time and without prior notice, Licensor reserves the right to make changes in, modify, improve, or eliminate any of the components making up the Library, provided that the Library software meets Licensor’s warranty.

## 1 GRANT OF LICENSE

1.1 Licensor grants you, the Licensee, the following nonexclusive, nontransferable limited rights, provided your subscription is in full force and effect, and you comply with all terms and conditions of this LEULA:

1.1.1 Only Authorized Users (as defined in the Subscription Agreement) are permitted to use the Library. To access or otherwise utilize the services or functionality of the Library, you must install User Software on at least one personal electronic computing device (“Device”), whether stand-alone or used in a Subscriber’s local area network with direct access to a web computing and storage device on which the Library is located (“Server”), and may install User Software on any number of additional Devices that are intended to be used by any Authorized User to access the Server for the purpose of using the Library.

1.1.2. Each Authorized User is entitled to make one Computer Printout of any Product retrieved from the Library solely for his or her personal and temporary use in the course of performing professional duties assigned by Subscriber. You may continue to retain such copies for the duration of the Subscription Term. The term “Computer Printout” means a reproduction of Data on paper or other nonelectronic medium created by means of a computer printer, plotter, or other printing device.

1.2 Any Library End-User License that you acquire may be used only in conjunction with the Library title indicated on the Billing Document supplied by Provider.

1.3 You must refrain from using the Library with respect to which its use is prohibited by this USLA.

1.4 The installation, configuration, and servicing of equipment and software that are not supplied by Provider but are necessary for the installation, access, and use of the Library and Data shall be performed wholly by Licensee and at Licensee’s sole expense.

## 2 MULTIPLEXING (POOLING)

Hardware or software that reduces the number of Devices directly accessing or using the Library does not reduce the number of required Library End-User Licenses. If such hardware or software is used, the total number of Library End-User Licenses you need is based on the number of distinct inputs to (i) the hardware operating in multiplexing/pooling mode or (ii) the software “front end.” Concurrent access to the Library at any time shall not exceed the number of Authorized Users specified on the Billing Document.

## 3 NO REPRODUCTION/NO TRANSFER

You may not make digital copies of Computer Printouts of Products or Data retrieved from the Library for any purpose not expressly defined in Item 1.1.2 of this LEULA. Except in the instances expressly stipulated in copyright laws and in this LEULA, you must refrain from copying, recreating, reproducing, publishing, disseminating, or furnishing to third parties the Library, Products, Data, or Computer Printouts, or pirated copies thereof, in any manner, by any means (electronic, optical, mechanical or other) or in any shape or form, wholly or in part, including (without limitation to the following) the creation of autonomous libraries, addition of Products to Subscriber-operated hard copy or digital libraries, direct or indirect transfer, loan (other than temporary loans of Computer Printouts of individual documents to translation contractors for the sole purpose of producing translated texts (“Derivative Products”) for the exclusive use of Subscriber), provision for temporary use, hire, rental, lease, licensing, sale, gifting, or other form of transfer, or by displaying or providing access to the Library, Products, and Data by means of any computer device, computer peripheral device, data storage device, memory device, communications devices and lines, computer networks (including the local area networks and Internet), or by other means, techniques, devices, or media.

#### 4 NO RENTAL/NO COMMERCIAL ACCESS

You may not rent, lease, lend, or provide commercial access to the Library or any Products or Data retrieved therefrom, regardless of the purpose and method for use thereof.

#### 5 UPDATES AND ADDITIONAL SOFTWARE/COMPONENT LICENSES

This LEULA applies to updates or supplements (collectively, the "Library Updates") to the original Library provided by Licensor, unless Licensor provides other terms along with the update or supplement. The Library may contain certain components (each, a "Component") that include a separate license agreement ("Component Agreement"). The terms of any Component Agreement are herein incorporated by reference to this LEULA; in the event of any inconsistencies between this LEULA and any Component Agreement, the terms of this LEULA shall control. To use a Library Update, you must have (i) your Subscription Agreement in full force and effect and (ii) a valid Library End-User License identified by Licensor as eligible for the update.

#### 6 LIMITATION ON REVERSE ENGINEERING, DECOMPILATION, AND DISASSEMBLY

You may not reverse engineer, decompile, or disassemble the Library for the purpose of storing the object/source code of the Library, the Data, or any component parts of the Library in any form separately from the Library, or for the purpose of copying, recreating, duplicating, publishing, and/or disseminating them in any form, by any means or for any purpose.

#### 7 TERMINATION

7.1 This LEULA is effective for a limited Subscription Term indicated on the Billing Document supplied by Provider. This LEULA will terminate immediately without notice from Licensor or judicial resolution (i) if you fail to comply with the terms and conditions herein or (ii) as of the moment of any suspension, termination, or expiration of the Subscription Agreement. In the event of termination or expiration of the Subscription Agreement, you must destroy all copies of the Products and Data retrieved from the Library that you have at your disposal, including all Library components, Products, and Data contained on hard drives, flash drives, or compact discs attached or intended to be attached to Devices, or contained in information storage and retrieval systems (electronic, mechanical or other), wholly or in part and for any purposes, including (without limitation to the following) reference, record-keeping, archiving, or the creation of libraries, repositories, data warehouses, data marts, infobases, or information islands.

7.2 This LEULA shall automatically renew upon renewal or reinstatement of the Subscription Agreement, unless terminated in accordance with Section 7.1 above.

#### 8 LIMITED WARRANTY

Licensor warrants that the Server on which the Library resides will be maintained so as to ensure availability of the Library to Authorized Users for the duration of the current Subscription Term provided the Subscription Agreement is in full force and effect and is not suspended, expired, or terminated.

#### 9 LIMITATION ON REMEDIES

Licensor's entire liability and your sole and exclusive remedy for any breach of the foregoing Limited Warranty will be the repair or replacement of the items that do not meet this Limited Warranty. If an implied warranty or condition is created by your jurisdiction and federal, state, or provincial law prohibits disclaimer of it, you also have an implied warranty or condition, BUT ONLY AS TO DEFECTS DISCOVERED DURING THE PERIOD OF THIS LIMITED WARRANTY. AS TO ANY DEFECTS DISCOVERED AFTER THE EXPIRATION OF THIS LIMITED WARRANTY, THERE IS NO WARRANTY OR CONDITION OF ANY KIND. Because some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty or condition lasts, the above limitation or exclusion may not apply to you. This Limited Warranty is void if failure of the Library or User Software has resulted from an act of forces beyond Provider's immediate and reasonable control, accident, abuse, misapplication, abnormal use, a virus, or a malicious attack.

#### 10 DISCLAIMER OF WARRANTIES

The Limited Warranty that appears above is the only express warranty made to you and is provided in lieu of any other express warranties (if any) created by any documentation or packaging. Except for the Limited Warranty and to the maximum extent permitted by applicable law, Licensor and its suppliers provide the Library AS IS AND WITH ALL FAULTS. The Products and Data are compiled from materials furnished to Licensor by outside sources and should be used as a reference source only. Licensor does not warrant the completeness or accuracy of the information and that the use of the Library, the Internet, and User Software will be uninterrupted or error-free, or that the results obtained will be successful or will satisfy your requirements. ALL WARRANTIES, WHETHER ORAL OR WRITTEN (INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) ARE EXPRESSLY EXCLUDED. Licensor and its suppliers hereby disclaim all other warranties and conditions, either express, implied, or statutory, including, but not limited to, any (if any) implied warranties, duties or conditions of merchantability, of fitness for a particular purpose, of accuracy or completeness of responses, of results, of workmanlike effort, of lack of viruses, and of lack of negligence, all with regard to the Library and User Software.

#### 11 EXCLUSION OF INCIDENTAL, CONSEQUENTIAL, AND CERTAIN OTHER DAMAGES

To the maximum extent permitted by applicable law, in no event shall Licensor or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits or confidential or other information, for business interruption, for personal injury, for loss of privacy, for failure to meet any duty including of good faith or of reasonable care, for negligence, and for any other pecuniary or other loss whatsoever) arising out of

or in any way related to the use of or inability to use the Library or User Software, the provision of or failure to provide support services, or otherwise under or in connection with any provision of this LEULA, even in the event of the fault, tort (including negligence), strict liability, breach of contract, or breach of warranty of Licensor or any supplier, and even if Licensor or any supplier has been advised of the possibility of such damages.

#### 12 APPLICABLE LAW

If you acquired Subscription in the United States, this LEULA is governed by the laws of the State of Illinois. If the Subscription was acquired outside the United States, then local law may apply.

#### 13 ENTIRE AGREEMENT

This LEULA, including any addendum or amendment thereto, is supplemental to the Subscription Agreement and is the entire agreement between you and Licensor relating to the Library; as such, it supersedes all prior or contemporaneous oral or written communications, proposals, and representations with respect to the Library or any other subject matter covered by this LEULA. To the extent the terms of subscription or any Provider policies conflict with the terms of this LEULA, the terms of this LEULA shall control.

#### 14 COPYRIGHT

The Library is developed entirely at private expense and comprises valued proprietary and commercial information of Licensor and its suppliers. It contains authorship materials, trademarks, and other materials that are protected by copyright in accordance with copyright and intellectual property laws and treaties. Licensor and/or its suppliers own the title, copyright, and other intellectual property rights in the Library. All other proprietary rights and rights of ownership are reserved to their owners. You must refrain from creating derivative works or compilations/collective works (including translations into foreign languages) from the Library, as well as from incorporating the Library and Data, wholly or in part, in compilations/collective works. The Library is licensed, not sold.
